## NEWS from Bozeman Amateur Hockey Association (BAHA)

The Bozeman Amateur Hockey Association (BAHA) concluded a successful season on May 2<sup>nd</sup> with the Haynes Hockey League Spring Championships. Congratulations to the Romulans (Rec/Power Division) and the Loch Ness (Novice/Rec Division) for their victories.

During the first two weeks of May, BAHA volunteers put in hundreds of hours tearing down the rink and taking everything from Haynes to storage units. In addition to rink teardown, BAHA volunteers raked and re-seeded the yard West of Haynes Pavilion and removed thousands of pounds of construction debris from the Fairgrounds. The MSU Hellcats Hockey team also painted the concession room and all the locker rooms. Special thanks goes out to everyone who contributed their time or equipment in this effort.

BAHA is constantly trying to improve our skating programs and the facility. During the off season, BAHA Board of Directors and Operations Director will review all our skating programs to ensure the most effective use of our heavily used ice sheet. We will also investigate roof repairs and improvements to the lighting both inside and outside Haynes.

Hockey and Learn to Skate registration for the 2010-11 season is scheduled for Aug 30<sup>th</sup>- Sept.12<sup>th</sup> and target ice date is Oct. 1<sup>st</sup>. For more information, please visit our webpage at: [www.bozemanhockey.org](http://www.bozemanhockey.org). If you would like to receive email updates from BAHA, you can enter your email address in the lower left hand corner of our homepage.

## Gallatin County's Fair Comedy Night introduces Herb Dixon

The Gallatin County Fairgrounds is pleased to present Fair Comedy Night during Friday and Saturday night of the Gallatin County Fair! Both evenings will headline Herb Dixon as the main act, with TC Hatter & Marcianne, Double Vision and Michael Mezner also performing.

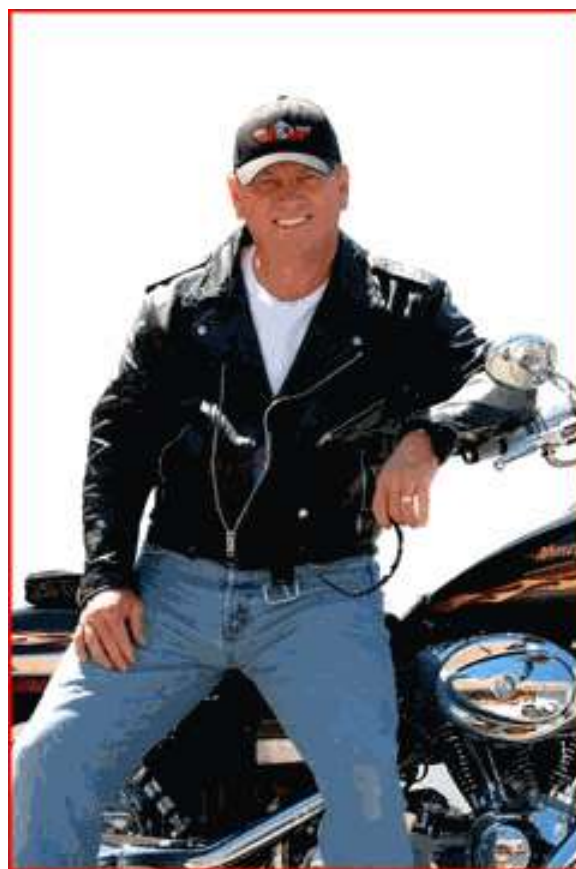

**Herb Dixon grew up in Calgary, Alberta and “discovered he could make people laugh—really laugh!” as a teenager.** So in 1979, he began as an amateur comic performing all throughout Vancouver, B.C. After climbing up the comedy ladder, he now headlines performances throughout North America. He is well-known for his ability to read his audiences, entertaining them with his rubber face, sound impressions, and engaging stories.

Herb is best known for his ability to recreate sounds; squealing tires, the sound of helicopter blades and even barking dogs, to name a few. His most famous sound bit is his amazing impression of a Harley Davidson Motorcycle. This sound is so loud, lifelike and believable, you can almost smell the hot exhaust fumes!

This hilarious comedian is known as one of the most **consistent corporate performers across North America.** He adapts his acts according to his audience; “I don’t tell ‘R’ rated jokes to a ‘G’ rated house”, Herb explains. “One of my definite strengths is my ability to read an audience. Their reactions always tell me which way to go, and I do.”

Friday’s show, hosted by KISS FM’s Chadwick, starts at 7:30 p.m. and will only be open to ages 21 and over. There will be an official after party at The Pour House following the show. Saturday will be open for the whole family! This show starts at 5:00 p.m. and will feature all of the same hilarious comics. The Ranch Rodeo and dance, featuring Highway 89 and Cindy Hicks, follows the comedian acts on Saturday. There is no extra charge for Comedy Club!

**Don’t miss either of these fun-filled nights!** For full line up information of Fair Comedy Club at the Gallatin County Fair, and for information about other great activities going on, please visit our website at [www.gallatincountyfairgrounds.org](http://www.gallatincountyfairgrounds.org).
